EDUCATION

2020 – 2024
HAZARA UNIVERSITY
BS Software Engineering
GPA: 3.13 / 4.0

2018 – 2020
QUAID-E-AZAM COLLEGE
Computer Science (HSSC)
Marks: 79%

TECHNICAL SKILLS

- Web Development & Architecture
- Laravel Framework & PHP
- MySQL Database & Eloquent ORM
- HTML5, CSS3, Bootstrap, Tailwind
- JavaScript, jQuery & AJAX
- RESTful APIs & MVC Pattern
- Object-Oriented Programming (OOP)
- Git, GitHub & Version Control
- MS Office (Word, Excel, PowerPoint)

CERTIFICATIONS

- Mastering Laravel Framework & PHP
(Board Infinity – Coursera)
- Foundations of Coding Full-Stack
(Microsoft – Coursera)
- HTML5 Application Development
(Certiport CertNexus)

OSAMA ANAM

LARAVEL & FULL-STACK WEB DEVELOPER

PROFESSIONAL SUMMARY

Dedicated Software Engineering graduate and skilled Laravel Developer with extensive hands-on experience in architecting scalable web applications, robust database schemas, and intuitive portals. Proven expertise in building government-grade software solutions, designing secure backend logic, and delivering performance-optimized RESTful APIs.

WORK EXPERIENCE

KPIT BOARD — Laravel Developer May 2026 – Present

Project: Khyber Pakhtunkhwa Government LMS (Learning Management System)

- Architecting and developing a centralized, multi-tier Learning Management System (LMS) for the Government of Khyber Pakhtunkhwa using Laravel and MySQL.
- Engineered portal modules for Administrators, Teachers, and Students including course management, enrollment workflows, and real-time progress tracking.
- Implemented automated online assessment and quiz submission mechanisms with instant grading and result analytics.
- Designed database schema migrations, complex Eloquent relationships, and secure authentication & authorization protocols.

BitCoderLabs PVT LTD — Web Developer Oct 2024 – May 2025

- Developed and maintained client web applications using Laravel, MySQL, and Tailwind CSS focusing on high responsiveness and performance.
- Implemented core backend business logic, database migrations, and RESTful API endpoints for seamless front-end integration.
- Collaborated closely with cross-functional development teams to deliver custom web features adhering to strict client requirements and quality standards.

KPIT BOARD — Web Development Intern Nov 2023 – Apr 2024

- Assisted in building backend modules and MVC structures using Laravel and PHP.
- Developed responsive user interfaces with Tailwind CSS and JavaScript, ensuring cross-browser compatibility.
